Home Adoption Application

This is an adoption application to bring a rescued animal to your home.

Thank you for your interest in adopting an animal rescued by Oliver and Friends Farm Sanctuary. Oliver and Friends wants to make certain every animal adopted goes to a loving home where the animal will be well cared for. Because of this, the application asks a number of questions which we hope you understand are necessary in our screening process. All information will be kept confidential, and if you have questions, please don't hesitate to call us at **405-655-9885** or e-mail with a specific question to oliverandfriendsfarmsanctuary@gmail.com. Please allow 1 to 3 weeks for Oliver and Friends to process your application and to send notice of your application status.

Any animal adopted from Oliver and Friends shall NEVER be rehomed or sold. If you are unable to keep the animal for any reason, he/she must be returned to the sanctuary.

All animals adopted out will be spayed/neutered, up to date on all age appropriate vaccinations, dewormed, and microchipped.

Please note *appointments are necessary for adoption visits.*
